

Arizona Museum
of Natural History®

Dear Educator:

You are invited to **preview** the Arizona Museum of Natural History at no charge to see what we can add to your teaching toolbox. This offer is extended for preparation of upcoming or potential field trips and is valid for one visit per school year only.

The museum offers a variety of educational resources, programs and interactive learning experiences that augment the national and state academic standards for grades Pre-K through 12th. We can help you include a museum visit as part of your curriculum. Ask us how!

Print this pass and bring it along with your school ID to the Arizona Museum of Natural History to receive your free admission.

This pass is for preview only and is not eligible for the day of the field trip.

For more information on booking your field trip contact the Group Booking office at 480-644-3553 or azmnhgroups@mesaaz.org.
